Figure 1 shows two rows of data across 23 columns. The columns are labeled 16, 17, 18, 19, 20, 21, 22, and 23. Each column contains a horizontal bar with a small black segment. Above the bars, there are labels 1 and 2, and a label x1. The diagram illustrates the structure of the data for the first two rows of the experiment.
